Description of Work	Round the clock Assistance of Shift Electrical Operation of Complete Electrics of CPP
Earnest Money (in Indian Rs.)	Rs. 15,000/- (Rupees Fifteen Thousand) only
Cost of tender documents (Non-refundable) (in Indian Rs.)	Rs.1000/- (Rupees One Thousand) Only
Period of contract	01 (One) year from the date of commencement of Work (Extendable for another one year on satisfactory performance.)
Last date & time of submission of tender	09/09/2016 at 12.00 Hrs. (IST)
Bid opening Date & Time.	09/09/2016 at 12:15 Hrs. (Part A & B)

Qualifying Requirements / Eligibility Criteria :

1. Average annual turnover (AAT)

Tenderer should have Minimum average annual turnover (MAT) of **Rs.46,99,740.00**

- ⇒ Average annual turnover shall be determined taking into consideration turnover of available preceding three consecutive financial years. Other income shall not be considered for arriving at annual turnover.
- ⇒ Audited annual accounts along with auditor's report of the bidder should be furnished in support of the same. Where audited annual account is not mandatory as per the law, the bidder has to submit annual financial turnover during the consecutive last three (03) years, ending 31st March of the previous financial year duly certified by CA.

2. Technical Capability :

Party should have experience of having completed **similar works** in any Public Sector Undertaking / Government / Semi Government organization or joint venture thereof / Company registered under Companies Act during last 7 years ending last day of month previous to the one in which offer are invited shall be either of the following:

- Three similar completed works each costing not less than the amount equal to **Rs.9,39,948/-**
OR
- Two similar completed works each costing not less than the amount equal to **Rs.12,53,264/-**
OR
- One similar completed work costing not less than the amount equal to **Rs.21,93,212/-**

Similar Work means: *field of electrical operation or maintenance in any of the field given below:*

- i. Generator and its auxiliary drives.*
- ii. HT & LT Switch gear equipments.*
- iii. Transformers and Switch yard equipments of 132KV or above.*

3. In support of their eligibility and experience, the Tenderer is required to submit self attested photo copies of work orders, completion certificates (by the concerned competent authority etc.) along with the techno-commercial bid. In addition, bidder shall submit an affidavit as per format at **Annexure-VI**, declaring that the documents submitted by them are genuine.
⇒ Completed Work means the executed/completed portion of Work Order/AMC/RC, even if the work has not been completed in totality (subject to furnishing proof of executed value of work in the form of certified copies of RA Bills) along with successful work execution certificate (by the concerned authority etc.)
4. The value of, work order(s) submitted by the bidder will be considered on pro rata yearly basis.
5. The bidder shall furnish authenticated copies of latest IT Return, Service Tax Registration, EPF certificate, ESI Certificate & valid Electrical license.
6. **The bidder must accept for finalization of rate through Reverse Action (RA) as per format given at Annexure-VIII.**

General Terms & Conditions:

- i) Offer shall be accompanied with Cost of the tender documents of **Rs. 1000.00** (non-refundable) in the shape of Demand Draft / Banker's Cheque drawn from any Nationalized / Scheduled Bank except Co-Operative Bank, in favour of **Bokaro Power Supply Company (P) Ltd.**, Payable at Bokaro Steel City.

However Government organizations / Small scale industries registered with NSIC is not required to submit the cost of tender document subject to production of the documentary evidence like valid Registration certificate of the same item or group of item from appropriate Govt. Authority.

- ii) Offer shall be accompanied with Earnest Money Deposit (EMD) of **Rs.15,000.00 (Rupees Fifteen thousand) Only** in the shape of Demand Draft / Pay Orders / Bankers Cheque Payable at Bokaro Steel City // Bank Guarantee having validity for, one (01) year, from any Nationalized Bank / Scheduled Bank except Co-operative Bank drawn in favour of **Bokaro Power Supply Company (P) Ltd.** as per format available at our website: **www.bpscl.in**.

However EMD exemption wherever applicable may be availed of by Micro & Small Enterprises (MSEs) / PSUs / Govt. Undertakings and Co-operative Societies etc., as per Government policy. For MSEs, the exemption from EMD is to granted only on submission of valid notarized copy of certificate having a valid Entrepreneurs Memorandum (EM) number. SSI / NSIC certificate holders are required to submit a copy of Entrepreneurs Memorandum for EMD exemption.

- iii) The undersigned reserves the right to either reject any / all the tenders without assigning any reason thereof & also reserves the right to alter the qualifying requirements.

Note:

1. Tender documents are to be downloaded from our Website: www.bpscl.in/eps.buyjunction.in only.
2. Bidders are requested to visit our website regularly for any addendum / corrigendum / Extension till opening of the NIT. **Any such changes shall not be published through Press advt.**

Conditions & Rules to be observed in submitting Tenders

1.01 Manner of Submission of the Tender

The tender shall be divided into 03 parts as follows:-

- a) **Part A:** This part Comprises of Cost of Tender document & EMD, NIT No. & date marked with Part A.
- b) **Part B:** This part Comprises of Technical and Commercial details, consent on terms & conditions of NIT etc. marked with (Part-B) Techno-Commercial Bid, NIT No. & Date (*In hard copy*)
- c) **Part C:** Online sealed Price Bid through URL : <http://www.buyjunction.in>

The process of submission of Online Price bid is as detailed hereunder-

Step 1: Type <http://www.buyjunction.in> in the internet explorer.

Step 2: Click on Login (present on Top right side of the Page)

Step 4: Click on **View Live Auctions and Tenders.**

Step 5: In the right side open/ global tenders link will be displayed.

Step 6: Click on the link for the above mentioned tender link present under Open tenders

Step 7: Click on new user if you are not registered in buyjunction earlier. Click on Existing user in-case you have already registered in buyjunction earlier. Existing users can login with their user id and password.

Please note foreign bidders are required to select their bidding currency from the drop down available before proceeding further (where ever applicable).

New Users:

Steps to get your **User Code** and **Password**

1. Click on the required tender link under “**Open Tenders**”
2. Choose your Auction currency in-case any option is coming to select currency. Click on “**New User**”
3. Fill up the “**Registration Form**” and click on “**Submit**”. All fields marked with (*) are mandatory fields.
4. On submitting the filled-up registration form, an auto generated email will be sent to the email address you have mentioned in the registration form containing your User Code and Password.
5. Changing of password on first login is compulsory.
6. On receipt of the User Code and Password you become an **Existing User**. Now follow the steps of existing user to login to the auction site.

Existing Users

1. Click on the required tender link under “**Open Tender**”
2. Click on “**Existing User**”.
3. Log in with your existing user code and password for placing your bid.
4. Read through the “**Bidding Procedure**” to proceed further for bidding.

Bidding Procedure

After logging in with your user id and password you have to accept the “**Auction Terms**”.

Steps to accept the “Auction terms”:

1. Click on “**Auction Terms**”.
2. Then click on “**View term without DSC**”
3. Click on the relevant auction terms appearing under “**Term**” column.
4. Select the check box on the left-side of the relevant auction terms.
5. Click on the button besides “**Accept**”.
6. Then click on “**Submit**”.
7. A message will be displayed to you mentioning your acceptance to terms for auction.
8. It is mandatory to accept the terms of online bidding in order to proceed for submission of bid.

Steps to Submit Price Bid

1. Click on **“Bids.”**
2. Then click on **“Live Auction.”**
3. Put your login password as transaction password
4. Select the auction id and click on add to watch list.
5. Now the bidding screen is visible.

6a. For Template Bidding

1. Click on **Icon “T”** on left column of bidding screen (Which will appear separately **for each lot**).
2. A template form will open where you need to fill up the price & click on evaluate at the bottom
3. If you want to quote the evaluated price then click on **“confirm”**.
4. After clicking on the confirm button of the template window, your price will appear in the **“New Bid”** box.

6b. For Non-Template Bidding

1. Fill your Price in the **“New Bid Box”** visible on the bidding screen.
2. Select the check box at the extreme left of the bidding screen
3. Click on **“Submit”** button placed at the bottom left of the screen.
4. Bid once placed will have to be honoured.
5. You will see **“Bid Accepted”** in the **“Result”** column. This indicates that your bid is accepted and registered in the system.

Steps to take a print-out of the receipt

1. Once you have placed your bid, to download Bid Receipt, kindly click on **“Download”**.
2. Then click on **“Bid Receipt for Open Tender”**.
3. Select the auction to generate receipt.
4. Take print out of the same market-wise (Term List)/ item-wise (Auction list).

Note:

1. **Current price, Market status, Start Bid Price, Bid Decrement, Effective Price** will not be available.
2. Time remaining for the event to close will be shown under the Bid Summary screen.
3. For any clarification on the bidding process please contact
Mr. Manish Nandwana _ 9163348165_ manish.nandwana@mjunction.in
Ms. Monalisa Shaw _ 9163348297_ monalisa.shaw@mjunction.in
Mr. Sumit Kumar Das – 8873002750 - sumit.das@mjunction.in for Bokaro Office
A scanned copy of System generated **acknowledgement-slip for Online submission of sealed price bid to be submitted along with EMD Bid or Techno-commercial Bid.**

- 1.01.1 A & B part should be sealed in separate envelopes, clearly superscribing on the top of each envelope the relevant part number and description along with NIT reference and date of opening and submit all the parts simultaneously in another sealed envelope clearly superscribing NIT reference and date of opening.

1.02 Tender Validity Period

The tender shall be valid at least for 120 (One hundred twenty) days from the date of opening.

1.03 General

- i) Tenderer's are requested to visit site for actual assessment of the job before submission of their offer.
- ii) The tender rates shall be written in English, both words and figures. In the case of any discrepancy between the words & figures of the rates quoted, the rates expressed in words shall be taken as correct. In the case of discrepancy in the Unit Rate and Amount, Unit Rate will govern.

- iii) All pages of the tender documents, conditions, specifications & all enclosures must be signed with seal of the company at the lower left hand corner by the tenderer before submission of the tender.
- iv) If the intending tenderer is a Firm or Company, then they shall, in the forwarding letter, mention the number and names of all the partners & shall sign before submitting the same, unless the Power of Attorney holder has specifically been authorized in this respect.
- v) If any tenderer withdraws his tender before its acceptance or refuses within a reasonable time without giving any satisfactory and acceptable explanation thereof, the tenderer shall be disqualified for making any tender of the BPSCL for a minimum period of one year and the Earnest Money will be forfeited.
- vi) **Handling of Earnest Money:**
 - a) Earnest Money will be refunded to the un-successful tenderer after finalisation of tender and no interest will be paid for the same. Bidders are requested to provide Bank Details for refund of EMD.
 - b) The amount of Earnest money will be adjusted against Security Deposit only in case of successful Tenderer.
- vii) In case the date of tender opening happens to be holiday, the tender will be opened on the next working day at the same time.
- viii) **Any conditional offer or offer having deviations from our qualifying requirement, specification & instruction sheets is liable to be rejected.**
- ix) BPSCL reserves the right either to reject any/all the tenders without assigning any reason thereof.

General Terms and Conditions

- 2.01 Bidders are requested to visit the site before submission of the bid to get acquainted with actual site condition.
- 2.02 You will have to follow and observe the safety & statutory requirements.
- 2.03 You will have to be fully responsible for any sort of unsafe activity of your workmen.
- 2.04 All working personnel should have proper safety certificates issued by BPSCL before start of work.
- 2.05 Supervision of the work has to be carried out by the agency.
- 2.06 Work is to be carried out as per instruction & satisfaction of the Engineer-In-Charge.
- 2.07 Rates are to be quoted on firm price basis. Any conditional offer is liable to be rejected.
- 2.08 In case of any documents/information submitted by the bidder(s) found to be false or containing any misrepresentation of having any fraudulent declaration in it then in such eventuality legal action (including cancellation of contract, banning of business dealing, forfeiture of EMD, criminal proceedings etc.) as deemed fit may be initiated by BPSCL against the bidder.
- 2.09 **Payment Terms :**
90% of contract value will be paid on pro-rata basis on progressive jobs duly certified by Engineer In-Charge and balance 10% will be retained as security deposit which will be released after three (03) months of satisfactory execution of work.

The expression satisfactory execution of the order shall mean fulfillment of all obligation arising out of and the guarantees stipulated in the contract. In default at satisfactory execution of the order the security deposit shall be forfeited to the BPSCL.

Any penalty for which the successful tenderer shall be found liable or any liquidated damages which shall be payable to the BPSCL in terms of the Contract, shall also be recoverable by the BPSCL from the Security deposit. If such security deposit will not be adequate for the purpose of liquidating the amount of penalty and/or damages as contemplated, the amount in excess thereof shall be deducted from any sum or sums which may be due or may become due to the successful tenderer from the BPSCL on any account whatsoever.

Notwithstanding what has been stated above if the successful tenderer shall have duly performed all his obligation under and the guarantees stipulated in the contract and observe all the terms and conditions thereof and no penalty shall have been recoverable from him and / or the BPSCL shall not have suffered any damages whatsoever, then security deposit shall be refunded, on receipt of a certificate from the Engineer in - charge that there is no claim against the Successful tenderer under the Contract.
- 2.10 Contractor will produce medical fitness certificate for his workers prior to CLC clearance for working at height. Height passes to be obtained from safety department.
- 2.11 You will have to strictly adhere to the provision of various labour laws including payment of bonus Act 1965.
- 2.12 You will have to pay Rs.4/- extra to the working persons as per BPSCL rules above minimum wage of one day.
- 2.13 Offer is to either type written or by handwritten and in no case partly type written and partly hand written. No corrections, overtyping shall be permitted without duly authenticated.
- 2.14 Tenders shall be accompanied by a copy of latest IT Return submitted, Service Tax Registration No. (if applicable) of the Individual/Party/Firm submitting the Tender.
- 2.15 Paying authority –In - charge (F&A), BPSCL.
- 2.16 Tenderers shall quote their firm rates and no negotiations will be held except with the lowest tenderer, if required.
- 2.17 In accepting the order you are understood to accept to all responsibilities for completing the work in all respect.

- 2.18 Where a claim of Service Tax is preferred and admitted, the tenderer must satisfy that he is a registered contractor under Service Tax Act and possesses a Certificate of Registration in the firm's name in which the service is made and shall in proof thereof, while submitting bills for payment, furnish the number, date and other particulars of such Certificate.
- 2.19 The manpower (labour and Supervisor) deployed for completion of the job and for compliance of work & safety of the workmen should be adequate. However the compliance and completion of the job cannot be restricted to labour supply but on the actual execution of the job to be certified by the Engineer – In – charge.
- 2.20 **VDA Clause** : During operation of the contract, if there is an upward revision of minimum wages, VDA by the appropriate Government, the Contractor shall be entitled to reimbursement of such additional amount on actual basis subject to production of documentary evidence. The base date shall be the Bid opening date OR Revised offer date (in case of negotiated prices)
- 2.21 **Work accident** :
a. You will be totally responsible for the safety of the workers employed by them. In the event of any work-accident, major or minor, your representative you must take care of the injured person immediately and provide him the required treatment as suggested by the doctor. The injured person may be admitted to BGH for the treatment by paying the charges as demanded by the hospital authority.
b. You shall be fully responsible for making payment of compensation to your own workmen or to those of your sub-contractor in respect of any accident or injury occurring to them. BPSCl will in no way be responsible for it and will remain indemnified against all such claims of compensation in such cases
- 2.22 **SUBMISSION OF BANK GUARANTEE FOR QUOTING UNWORKABLE RATE:**
 if a tenderer quotes unworkable rates i.e. if the quoted price is less than the lower limit of the estimated price and is considered for placement of order, the party will be asked to justify the rate quoted and will have to give Performance Guarantee Bond (in addition to the Security Deposit) in the form of Bank Draft/Bank Guarantee. The amount of Performance Guarantee Bond will be decided by BPSCl at the time of placement of order. Earnest Money of the tenderers who refuse to give Performance Guarantee Bond will be forfeited and they will not be considered for taking participation in any kind of Tender for next Six (06) months from the date of issue of letter to the Defaulter Firm, if order / contract is not finalised from the present tender.
- 2.23 **FORCE MAJEURE** : Vendors / Contractor shall not be considered in default if delay occurs due to cause beyond their control such as acts of God, natural calamities, civil wars fire, strike, frost, floods, riot and acts of unsurpassed power. Only those causes which have duration of more than seven days shall be considered in force majeure clause. In the event of delay due to such clause the delivery / completion period will be extended for a length of time equal to the period of force majeure of at the option of owner order may be cancelled without any liability what so ever on the part of the owner.
- 2.24 **RATE FINALIZATION:**
 Rates will be finalized through Reverse auction among the techno commercially acceptable tenderers through our authorized service providers i.e. **M/s. Mjunction Service Ltd.** The tenderers have to submit their acceptance as per enclosed format at **Annexure – VIII & IX** along with their techno-commercial bid. The schedule and details of Reverse Auction event shall be communicated by our Service provider (**M/s. Mjunction Service Limited**) to the techno-commercially accepted bidders.
- 2.25 **The Parties should clearly indicate their prices firm in all respects till execution of the work order.**
- 2.26 In case of asking any variation on any account whether sales tax or Service tax (wherever applicable) will not be treated as firm price on that account and hence parties should state everything clearly.
- 2.27 **Special Instruction:** Tender will be opened on **09.09.2016 at 12.15 PM**. If it is declared a holiday by BPSCl then in the next working day at the same time in the presence of Tenderer's Authorized Representatives, who wish to be present.

Scope of works :

A. Assistance in the following jobs related to the 132KV, 11KV, 6.6KV, 415V, 220V, indoor switchgear, outdoor switchyards, transformer yards, GVDCs, PDBs, MCCs, etc., as per SOP & Safety norms:-

1. Racking-in & racking-out of breakers, isolators, PT carriages, etc.
2. Shifting (to & away from the associated cubicles) by means of trolley or otherwise.
3. Opening & closing of panel doors, back covers, etc., for various requirements.
4. Shifting of trolley, rubber insulation mats, guide rails, etc., for various purposes.
5. Meggering of equipment proper, and outgoing parts.
6. Arrangement of heating of cubicles or outgoing parts, and removal of the same after completion of heating.
7. Checking of operation of equipment proper, and outgoing parts, etc.
8. Isolation & normalization.
9. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

B. Assistance in the following jobs related to various valves of CPP, as per SOP & Safety norms:-

1. Limit Switch setting.
2. Removal & fixing of limit switch boxes as a part of isolation & normalization procedures.
3. Replacement of defective parts of limit switch boxes or the entire assembly.
4. Connection & disconnection (after proper marking) of power & control circuits related to motors and limit switch boxes.
5. Fixing, removal & checking of healthiness & operation of motors.
6. Checking of control circuits, along with fault finding and defect rectifications.
7. Operation checking of the valves as a whole.
8. Isolation & normalization.
9. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

C. Assistance in the following jobs related to control circuits & power circuits (energy calculation) of the HT & LT drives, as per SOP & Safety norms:-

1. Checking of control circuits, along with fault finding and defect rectifications.
2. Checking of various interlocks of electrical control circuits, along with fault finding and defect rectifications.
3. Isolation & normalization.
4. Shift wise energy calculation.
5. Daily energy calculations (including those of generators, transformers, motors & 6.6KV, 11.5KV, 132KV feeders).
6. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

D. Assistance in the following jobs related to carbon brush gears of Turbo Generators, DC motors, MG sets, etc., of CPP, as per SOP & Safety norms:-

1. Inspection of carbon brushes & brush holders.
2. Replacement of defective or worn out carbon brushes as per SOP & safety norms.
3. Cleaning of brush gears by air blowing, Replacement of defective brush holders.
4. Checking & adjustment of spring tension of brush holders.
5. Polishing of commutators.
6. Filling of hydrogen gas in turbo generators.
7. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

E. Assistance in the following jobs related to low capacity LT motors, high capacity LT & HT motors (at odd hours) of CPP, as per SOP & Safety norms:-

1. Connection, disconnection (after proper marking), fixing, removal, checking of healthiness, de-coupled, & coupled trial runs of low capacity LT motors, on a regular basis.
2. Connection, disconnection (after proper marking), removal, fixing and alignment checking of high capacity LT Motors at odd hours.
3. Connection and disconnection (after proper marking) of HT motors at odd hours.
4. De-coupled & coupled trial run of both high capacity HT & LT motors.
5. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

F. Assistance in the following jobs related to indicating and signalling systems of CPP equipments, as per SOP & Safety norms:-

1. Regular inspection of indications & signals in various control rooms, local panels, and switchgear rooms & panels.
2. Checking of indications & signals, along with fault finding, & defect rectifications.
3. Replacement of defective parts like indicating bulbs & holders.
4. Replacement of defective parts of signalling system like bulbs, holders & other devices like semaphore, etc.
5. Disconnection & connection of circuits related to indication systems (after proper marking) as per requirement.
6. Shifting and safe handling of all the associated materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

G. Assistance in the following jobs related to control panels of CPP equipments, as per SOP & Safety norms:-

1. Regular inspection of control panels, and checking of ammeters, voltmeters, etc.
2. Repair & replacement of defective parts like control switches, selector switches, ammeters, voltmeters, etc, in various panels in control rooms and local panels.
3. Connection and disconnection of various panels of control panels after proper marking and shorting of CT terminals.
4. Safe handling, shifting & safe keeping of defective switches, ammeters, voltmeters, etc, for repair after proper marking.

H. Assistance in the following jobs related to cables of various drives and equipments of boilers, turbines, and generators of CPP, as per SOP & Safety norms:-

1. Meggering of cables.

2. Repairing like taping, minor jointing & dressing of cables.
3. Replacement of burnt cables of (minor size & length) with proper laying.
4. Dressing, marking and ferruling of replaced cables of minor size & length.
5. Shifting and safe handling of all the materials like tools, tackles, consumables, measuring instruments, devices & other equipments.

I. Assistance in the following jobs related to housekeeping & record keeping of various electrical panels, generators, motors, equipments, etc, of CPP as per SOP & Safety norms:-

1. Regular cleaning by air blowing.
2. Regular dusting off by dry mops.
3. Housekeeping of control room ECR-II.
4. Hourly reading of parameters of generators, transformers, 132KV & 11KV feeders, 11KV sections, 132KV buses, 6.6KV sections, 415V sections.
5. Hourly reading of DC system & its parameters.
6. Hourly reading of winding and oil temperature of transformers.

SPECIAL TERMS & CONDITIONS :

1. The bidder is to submit self attested copy of valid upto date Electrical License for Conducting Electrical Contractual Works.
2. As the area of work is highly sensitive with respect to safety hazards, the successful bidder must take proper work permit, shutdown clearance and other instructions from Engineer-In-Charge, daily before starting the work.
3. The bidder has to provide all the resources like men, materials like working tools and tackles, consumables, safety helmets, safety boots, hand gloves, and other safety appliances of general & special type.
4. BPSCL will provide spares required for the job.
5. The portion of the job planned to be completed within a particular time frame of a particular day as directed by the engineer-in-charge of BPSCL, should not be delayed beyond the stipulated time schedule.
6. Industrial waste & all types of scraps generated by the job are to be removed by the successful bidder to the dumping ground as directed by the engineer-in-charge.
7. The supervision & execution of all jobs and the safety of workmen will solely be the responsibility of the bidding agency. BPSCL will not be responsible in any way in case of any violation of safety or statutory rules, or any illegal / unworthy incident, major or minor, caused by the workmen employed by the successful bidder.
8. All the jobs which may be required to be done in a particular shift (like attending the complaints of the operation wings of Boiler, Turbine, WCTP, ESP, RCPH, etc.) as per the scope of the job, are to be completed promptly as per demand & satisfaction of the electrical engineer in-charge of the concerned shift.
9. The bidder has to depute adequate no. of manpower in each shift and also supervise the job by non-diploma supervisor in each shift.
10. The work should be done strictly as per the guidance of and as per the demand & satisfaction of the electrical engineer in-charge of the concerned shift, and the overall engineer in-charge of BPSCL for the job. The work completion will also be certified by him. In case of any dispute regarding work, the decision & judgment of the engineer in-charge of BPSCL will be final & abiding.
11. You shall have to pay an **Amount of Rs. 96.15 per day an actual attendance** per month (not exceeding Rs. 2500/- per month) to the workers engaged by you in the job, as Additional Welfare Amenity (AWA).

12. Subletting of contract is not allowed.

13. Guarantee clause: Workmanship of any particular portion of the job should be guaranteed for six (06) months after completion of the job. If any defect arises anywhere in the scope of the completed job, within the guarantee period under normal operational conditions, then the bidder is to redo the same job, free of costs.

14. Penalty clause :

1. Delayed response to start any job will be penalized @ Rs. 1500/- each time of such an occurrence.
2. Any case of non-removal of scrap generated after completion of job will be penalized @ Rs. 1000/- each time of such an occurrence.
3. If any production loss due to delay of work by your assisting workmen, will be penalized @ Rs. 5000 each time of such an occurrence.

15. Safety Clause:

Without prejudice to the right conferred by the safety clauses for stoppage of work for violation of safety requirements, contractor shall be liable for penalties mentioned below:-

1. Up to Rs. 5000/- by DGM (Safety)/ Head of Safety Engg. Department / Head of the Department where work is being done for 1st violation of safety norms, non-use of PPEs (Personal Protective Equipments) like safety shoes, hand gloves, safety helmets, goggles, etc as per works requirements by the contractor or his workers. This condition is applicable in case of violations of Road Safety norms also.
2. Fine upto Rs. 20000/- on 2nd violation as mentioned in Safety Clause no. 1 above.

ENVIRONMENT, HEALTH AND SAFETY**EHS (Environment, Health and Safety) Clause for contracts where overall site is under BPSCl control****Contractor's Responsibilities**

The contractor shall during the entire term of contract undertake to perform the following obligations relating to environment, health and safety:-

1. Ensure that your workforce is not exposed to asbestos or asbestos containing atmosphere.
2. Take suitable control measures to ensure that the workers are protected from dust emission.
3. Monitor and ensure that the working area is free from any toxic gas, vapour and fume. Take adequate measures to reduce level of concentration below permissible limit. Exposure to any particular toxic gas, vapour or fume shall not exceed the maximum permissible limit prescribed in local regulation for any particular period of time. Ensure adequate ventilation and no immediate danger to life and health of personnel working at site.
4. Ensure that there is no flammable atmosphere and uncontrolled fire hazard in and around the work place. In case it is required to work in flammable atmosphere, implement safe working procedure and suitable control measures in order to work safely.
5. Ensure that the workers are protected from excessive noise and heat. Take adequate measures to reduce noise/heat level below the permissible limit.
6. Ensure safe access and egress in and around work place. Ensure proper maintenance of Platforms, staircases, ramps etc. Special care and all safety measures should be taken while working at height. Roof work and access to roofs must not be undertaken without prior permit.
7. All Personal Protection Equipments supplied by the contractor should be of internationally recognized standards. All tools and tackles bought by the contractor for use during the contract period should have proper and valid certification by competent authority.
8. All lifting equipments, tools and accessories provided by BPSCl should be maintained and returned back in sound condition after the completion of contract period.
9. Ensure that the illumination in and around workplace and access areas are maintained properly. Make sure to switch off the light, fan and air conditioners after use.
10. The contractor must ensure that all machinery and equipments are provided with earth fault circuit breakers at all times when using electrical leads. Use of electrical tape for temporary repair is prohibited.
11. Guards and covers for equipments/machineries are to be provided where ever necessary.
12. Gas cylinders shall be securely stored, transported, identified and used in line with legislation and EHS requirements.
13. Fire extinguishers and other fire fighting equipments provided in different locations should never be misused.
14. Contractor must ensure optimum use of water with minimum wastage.
15. Contractor shall also ensure that the work area is kept clean, tidy, & free from debris. The contractor is also fully responsible for protection of ground and underground from pollution.
16. Identify and highlight potential hazards / risks existing.
17. Ensure suitable corrective actions are implemented for identified issues.
18. Provide adequate emergency and first-aid facilities and it should be available in all shifts.
19. All workers should be trained and communicated about the onsite emergency and evacuation plan.
20. All equipments and plant should be maintained in safe condition.
21. The Contractor and their Personnel admitted to site must conduct themselves in an orderly and safe manner and conform at all times to the EHS Requirements. Fighting, engaging in horseplay, being under the influence of or possessing alcohol or drugs, gambling, soliciting, stealing, immoral or otherwise undesirable conduct is not permitted and shall not be tolerated. Upon knowledge of such conduct, BPSCl shall exclude the concerned person from the site and take all other appropriate measures as deemed necessary. BPSCl reserves the right to perform random drug and alcohol tests.
22. The Contractor shall immediately notify BPSCl of any environmental incident, injury, illness, near-miss, unsafe condition or practice and any loss or damage to property, including incidents related to the Contractor Personnel. An investigation report assessing the root cause, corrective action, and preventative action shall be submitted by the Contractor to BPSCl within 24-hours of the incident's occurrence.
